FRIDAY, NOVEMBER 9, 1923

Passing of W. E. Walker Very Sudden

Astounding in its suddenness, news of the death of William E. Walker came as a profound shock to a host of friends last Sunday evening. So far as was generally known he was in his usual health and no warning was given of the unexpected summons.

Earlier in the day, Mr. Walker had attended services at the Christian Science church as was his habit. During the afternoon he had planned to visit the children's home at Covine in company with members of the Masonic lodge but, feeling slightly indisposed, remained at his home, 664 West Montecito. The end came about six in the evening as the result of an acute attack of neuralgia of the heart.

Mr. Walker was about 50 years of age and a native of Sullivan county, New York. He had been prominent as a builder and contractor both in his native state and since coming to California eighteen years ago. During practically all the time since then he resided in Sierra Madre and had erected many of the best residences in the city, as well as the new Christian Science church.

As one of the earliest initiates of the local Masonic lodge, Mr. Walker was always keenly interested in its affairs. He was a past patron of the Eastern Star chapter.

In addition to his devoted wife, Mr. Walker leaves a daughter, Miss Gladys Walker, and a brother, David Walker, of Pasadena.

Funeral services were held Wednesday afternoon at the Allen T. Gay chapel. The Christian Science service was impressively read by Mrs. H. C. Parker, reader of the local church. The committal service of the Masonic order was then conducted by the officers and members of the Masonic lodge. The remains were taken to Forest Lawn for cremation. The large attendance at the services and the wealth of beautiful flowers attested the high esteem in which Mr. Walker was held and the deep sympathy felt for his bereaved family.

SCOUT LEADERS CONFER HERE

More than 40 scoutmasters, troop commissioners and district officers met in Sierra Madre last night to confer on Boy Scout methods and problems. The occasion was the first fall meeting of the Pasadena District Scout Leaders association.

The company enjoyed a splendid dinner served by Charlie Ellis at the Busy Bee cafe. Scoutmaster Dennis Stovall and Mayor Mitchell welcomed the visitors and Morgan Odell, president of the association, presided. O. W. Bryant of Monrovia presented an interesting book review and a splendid hour of fellowship was enjoyed.

RABBI MAGNIN COMING AGAIN TO MENS CLUB

Rabbi Edgar F. Magnin will be the speaker at the monthly meeting of the Men's Community club in the Congregational church next Thursday night. The dinner will be served at 6:30 as usual, with a special invitation to members to bring the ladies. Rabbi Magnin is a magnetic speaker whose address to the club on a previous occasion caused a strong demand for his return. Reservations should be made early on account of the extra number to be served.

Mr. and Mrs. R. B. Hosford entertained Wednesday evening in the Woman's club house with a dancing party in honor of their sons, Jack and Donald Hosford. About seventy-five invitations were issued and the large company of guests enjoyed a delightful evening.

C. OF C. HEARS WATER REPORT AT LUNCHEON

Thomas Henderson, water superintendent, gave an outline of the water situation at the Chamber of Commerce luncheon at the Busy Bee restaurant Tuesday noon. He told of the complete investigation now being made by Engineer Willis S. Jones, hired by the city to study the supply, its storage and distribution. He said it would not be possible now to tell of Mr. Jones' findings as he has not yet completed the survey.

Necessity for constructing a fire-break along Long Point just above Canyon Park subdivision was pointed out by Mr. Henderson. E. J. Webster moved that it was the sense of the meeting that the Chamber of Commerce take steps at once to cause the construction of the fire-break to protect our water investment and the motion was adopted unanimously.

Major Floyd called attention to the Armistice Day program which is to be given at the school house on Monday. He also reminded the members of the approaching election of directors to be held this month and urged all to express their desires through the primary and final ballot. Mayor Robert Mitchell called attention to the Red Cross Roll call in which Sierra Madre is requested to enroll 1,000 members between Nov. 11 and 29.

The securing of new members is progressing satisfactorily. This week the new additions are Frederick Haas, Fred's Barber Shop, and Peter Becronis, New Sierra Madre Cafe. H. E. Alen was elected to provide the program for next Tuesday's luncheon, after it was decided to resume the system which gave such excellent programs last winter.

BRAUNTON TO TALK BEFORE CIVIC ASSN.

Ernest Branton of Los Angeles, a recognized authority on landscaping and city planning, will be the speaker before the Civic association next Monday night at its regular meeting.

Mr. Branton is editor of the Garden Beautiful department of the California Cultivator. To all who are interested in city beautification the news of Mr. Branton's coming will bring a desire to hear him.

Dinner for Civic Association members and friends will be served at 6:30 in the club house at 75 cents a plate. The dinner will be served by the ladies of the Eastern Star chapter, sufficient guarantee of excellence. Last month there was difficulty in providing for all the people who came without reservations. Hence the rule this month that reservations must be made by Saturday, the 10th.

Following the dinner the usual open forum will be held at 7:30, to be followed by Mr. Branton's address. No admission charge is asked for the later meeting. A cordial invitation is extended to everyone interested in community improvement.

PEGLER ENTERS REALTY FIELD

Carlton J. Pegler has formed a connection with the Ellis Bishop Co., leading Pasadena realty dealers, and will devote all his time to the business in future save that required for his duties as city treasurer. This concern has extensive listings of suburban ranch and foothill property and Mr. Pegler will devote his attention to that department. By reason of his long acquaintance with the entire region he will be able to give expert information on a large proportion of the property. This new connection marks a return to the real estate business on the part of Mr. Pegler after a period of about 15 years. In the boom days at the time of the coming of the Pacific Electric he was associated with his father, the late John C. Pegler, in the local real estate business.

Splendid Work of Local Red Cross Deserving of City's Generous Support

Sierra Madre Chapter of the Red Cross has practically completed the plans for handling the annual Roll Call which commences Monday. The headquarters will be at the Chamber of Commerce rooms and there will be some one in attendance there to receive subscriptions from 9 a.m. to 6 p.m., every day except Sundays.

Mrs. Edna Wiggins will be in charge of that department and will be assisted by various members of the chapter. Robert Mitchell, the chairman, urges that any one who can give some time to this work in the next three weeks volunteer his or her services immediately. Several have already agreed to give time various mornings and afternoons but more are needed that the work may not devolve on a faithful few.

Local Chapter's Work
So much has been said and published about the national and international scope of the work of the Red Cross that most people are acquainted with the facts in a general way. Many people are not aware that the local chapter maintains a year-around activity and, while not advertising its labors, is constantly rendering service in this community.

From the very nature of the work it is not permissible to print reports giving details. It would not be fair to the people helped. But one of the most important services rendered during the past year has been the providing of milk for undernourished children in families where the parents were not financially able to buy the milk. At present milk is being furnished to the children in eight families in this city. This milk is furnished on the recommendation of the city nurse, who has authoritative knowledge of conditions.

Many children have been aided in this way during the past twelve months. That is where many of the dollars raised in last year's roll call

have gone. Surely no one would begrudge a dollar to keep such work going. This country cannot make the right kind of citizens out of underfed children. There are many such around us—not in Russia or in Germany, but right here in Sierra Madre in the golden state of California, in the United States of America, the richest and most prosperous country in the world! Bring in your dollars!

Writing for the Blind
Recently the chapter has authorized the purchase of a Braille typewriter, a machine for doing the Braille writing for the blind. Mrs. M. D. Welsher has perfected herself in this work and shortly expects her certificate from Washington as an authorized Braille writer. She hopes that after the holidays she will be able to form a class in Sierra Madre to do some of this writing. There is a tremendous need for literature of every description. The demand far exceeds the supply. It is said by Mrs. Welsher that this chapter could undertake no more worthy work which will cost practically nothing in money—just time and interest on the part of some of the members.

The directors of the local chapter are hoping it will not be necessary to send out solicitors this year. With the headquarters open daily from next Monday until Thanksgiving day everyone will have an opportunity to call or send checks by mail.

This chapter must have 1,000 memberships to be able to feel properly thankful over results. Annual membership, \$1.00; Contributing membership, \$5.00; Sustaining membership, \$10.00. The goal is set for 900 annual, 50 contributing and 50 sustaining memberships. Everyone is urged to make their subscriptions promptly so there will be no doubt as to the thankfulness.

Eastern Star Officers For Year Named

Sierra Madre Chapter No. 299, Order of the Eastern Star, held its annual election Monday night and chose officers for the coming year. The "line" officers were all advanced and the elective officers chosen are as follows:

Worthy Matron, Mrs. George B. Morgridge.
Worthy Patron, Dr. Gilbert S. Bovard.
Associate Matron, Mrs. Clyde W. Muskrath.
Conductress, Mrs. M. J. Dickinson.
Associate Conductress, Mrs. Wm. Keith.
Treasurer, Mrs. D. G. Arthur.
Secretary, Mrs. Edna Wiggins.
Other officers of the chapter are appointed by the matron-elect. It is expected the installation of officers will take place early in December, marking the close of one of the most active and prosperous years in the history of the chapter, under the administration of Mrs. Convers L. Twycross.

WORLD PEACE SERMON TOPIC

Armistice Sunday will be observed at the Congregational church with a special sermon at the morning service. Dr. Tate will speak on "The Requisites for World Peace." Members of the American Legion, Spanish-American war veterans and the Grand Army are cordially invited to be present.

In the evening Dr. Tate will continue the special talks to young people with the topic, "The Young Man—His Education." The first of the series last Sunday night was heard with interest by a large number of young people, as well as a good proportion of older folk.

SCHOOL NURSE REPORT SHOWS IMPROVEMENT

Comparison of condition found among children:

Total number weighed and examined, 414; last year, 400.

Total number defective vision, 21; last year, 25.

Total number defective teeth, 116; last year, 91.

Total number 10 per cent below average weight, 85; last year, 102.

The number of defective teeth seems to be greater, especially of the sixth year molar. This, though the most important tooth of all, because it is the first of the molars to appear, is often mistaken by parents as a temporary tooth. There are ten upper and ten lower teeth in the first set, counting from the middle front, five on either side. The sixth tooth is the first permanent molar.

The physical condition of the school children relative to weight shows a slight improvement. Monthly reports will be sent home, giving weight without shoes. Conferences are invited with parents who wish to discuss the welfare of their children.

There has been a slight outbreak of mumps this past month, nine children in all. Excellent cooperation has been given by the local health officer in maintaining the required quarantine.

HOPE ROMANI, School Nurse.

The home of Mr. and Mrs. G. I. Farman on Sierra Place was burglarized last Saturday night. Mr. Farman was out of town and Mrs. Farman was at the store. The burglar made his appearance some time after the evening visit of the milk man for he drank a bottle of fresh milk left outside the door. He evidently had the movements of the family well timed. He ransacked the house and took a special fancy to Mr. Farman's clothing, making away with everything wearable.

LEGION FILM NEXT WEEK AT HIGH SCHOOL

Under the auspices of Lamanda Park Post No. 280 of the American Legion the great film, "The Man Without a Country," will be shown at high school auditorium next Friday and Saturday, for the benefit of the post building fund.

The much heralded film is the property of the Legion and is one of the really better pictures promised the American public by the producers. By placing before the public a film that is entertaining, instructive and at the same time as thrilling, gripping and emotional as any film so far produced, the American Legion caters to the good will of the movie-going throngs.

Everyone should see the film which is based upon the story of the same name by Edward Everett Hale. It tells its story through one of the most romantic periods of our national life.

Arnold Daly as "the man without a country," is at his best either as a perfect lover, the plotting villain or the repentant hero. In support of Mr. Daly is seen the mother of the screen, Mary Carr, and an all-star caste of international repute.

CANYON FOLK MASQUERADE IN SWIMMING POOL

A masquerade party in the swimming pool was the Hallowe'en diversion of the Canyon Park residents Monday night, the affair having been postponed on account of rain the previous week. Young and old were there to the number of several score and had the time of their lives. There was a big bonfire where they toasted marshmallows which supplemented the pumpkin pie and other Hallowe'en refreshments. The fire also served to warm the people who did not indulge in the dancing on the big concrete floor. O yes, the water was all drained from the pool beforehand.

Another Party Slated
So much enjoyment was afforded by the party of last Monday night that Manager House of the swimming pool says there will be another one next Monday night. There will be free dancing with music by the canyon jazz orchestra.

FINAL SUMMONS FOR BELOVED YOUNG WOMAN

Mourning by many friends who regarded her most highly, Miss Sue Elizabeth Sutherland, daughter of Mrs. M. Sutherland of 528 Ramona, passed away Saturday night at the family home. She came here from Los Angeles about 18 months ago but the quest for health was in vain. The family formerly resided in Illinois. In addition to her mother, Miss Sutherland leaves a sister, Miss Mabel Sutherland, and a brother, Howard Sutherland, both of Sierra Madre, and two brothers in Wyoming. Funeral services were conducted Tuesday morning in Bethany church by Rev. U. M. Fox, assistant pastor, and interment took place at Mount-Ain View Cemetery, Altadena.

NORRIS STORE NEARLY READY FOR OCCUPANCY

Work on the new store building of S. R. Norris at Lima and Central is being rushed to completion. By the time the Armistice holiday is over the stock will have been completely moved from the old quarters and a new epoch in Sierra Madre commercial history will be marked.

This store has the longest continuous record in the community. The modesty of its beginnings is a thing of the past.

Phone

School To Celebrate Armistice

"Top" Sgt. John Wirsching of Los Angeles, a member of the 117th Engineers, will be the speaker of the Sierra Madre Armistice Day program which will be held next Monday at the public school. This will be the only general observance of the day in Sierra Madre and the program will begin at 10:30 a. m.

Practically every store in Sierra Madre will observe the day as a holiday, according to Henry Olsen, who interviewed the merchants on behalf of the American Legion. The public school authorities were notified by County Superintendent Mark Keppel that while Armistice Day is a legal business holiday, it is not a school holiday.

All parents and other citizens are cordially invited by the school superintendent, Miss Elizabeth Steinberger, to attend the exercises at the school Monday morning. President Anderson of the school board suggests that in compliment to Sgt. Wirsching all ex-service men come in uniform.

The program for the exercises at the school will be as follows:
Armistice Day Program, 10:30 A. M.
School Grounds

Flag Raising.....Boy Scouts
Song.....Star Spangled Banner
Invocation.....Dr. W. A. Tate
Song.....America the Beautiful
Song.....The Anvil Chorus
Address.....Sgt. John Wirsching
Reading.....In Flanders Fields
Mrs. Milton Steinberger
Dedication of Flower Seed.....

Mayor Mitchell
If the weather prevents the holding of outdoor exercises on Monday the exercises will be held in the Woman's Club house.

WEATHER MAN ON JOB AGAIN

C. I. Dague, the government expert on weather and especially temperatures, is on the job again preparing for a continuance of frost investigations. He will carry on the work as begun last winter.

Mr. Dague has headquarters at Azusa, with observation and recording stations all along the foothill territory. One recording thermometer is placed at the lower end of the Yerxa ranch on Live Oak Ave.

By the system in use exact temperature and hygrometric records are made. By close watch of conditions it is possible to detect the approach to the frost danger line and to warn the citrus growers of the need for lighting their orchard heaters.

ANNUAL GUILD BAZAAR SOON

The Woman's Guild of the Church of the Ascension are working hard to make their annual bazaar Nov. 22 and 23 a great success. The usual fancy and domestic tables will be filled with useful and attractive articles. There will be lovely homemade candies and cooked foods, and some splendid books, cards and calendars. "Lois Lyte" will have a "corner on psychology" where the veil is lifted and reveals the message in the tea cup," answers for the cards etc.

The bright, sparkling play "Safety First" by local talent will be given both evenings. Full details will be given next week.

Mrs. Florence Rowley and her party, Mrs. Pearl Bristol and her party, will be the featured attractions.

To Our Friends In--- SIERRA MADRE

We are sure that the majority of the people of Sierra Madre know The Hogan Co. as a successful Real Estate firm and as owners of such properties as the St. Francis Court, Maryland Apartments, Hillcrest Ranch, etc.

A great many know Frank G. Hogan as President of The Hogan Co., Altadena Country Club Park, Arroyo Park Corporation and the California Mausoleum Co.; Director Chamber of Commerce Bldg. Co., California Laundry, and the Flintridge Riding and Hunt Club.

Some people know Frank G. Hogan because of his civic activities as President of the Tournament of Roses Association and his connection with the new Stadium in Pasadena, several Horse Shows, etc.

Most people know The Hogan Co. as a firm dealing in Real Estate, Mortgages, Real Estate Contracts, Loans and Investments—

But comparatively few people of Sierra Madre know that during the past seven years The Hogan Co. has done a \$5,000,000 business in loaning money on "AUTOMOBILE PAPER."

We have found this branch of our business very profitable—however, this business has increased so fast that it has gotten beyond the capacity of The Hogan Co. to meet the demand. Therefore, we have formed the Hogan Finance and Mortgage Company which has taken over this branch of the Hogan Co.'s business, that we may more advantageously handle this increasing demand for money in the rapidly growing city of Pasadena.

The Officers and Directors of

HOGAN FINANCE & MORTGAGE CO.

366 East Colorado Street, Pasadena

Frank G. Hogan, President

H. L. GIANETTI, Vice President and General Manager of Hogan Finance and Mortgage Company, a resident of Pasadena for 17 years, as Vice President and General Manager of the Hogan Company since 1910, Past President of the Pasadena Realty Board and for seven years has been secretary of the Pasadena Realty Board. Has a wide experience in insurance and investment business in Pasadena.

CHARLES GREENBERG, Attorney, Secretary of Hogan Finance and Mortgage Company, Director of the Union Mortgage Company of California and Secretary of the California Laundry, Inc.

J. J. MITCHELL, Treasurer of Hogan Finance and Mortgage Company, is Vice President of the T. W. Mather Company, Director of Central National Bank, Past President of the Tournament of Roses Association 1821-1922.

WALTER W. GERLACH, Director of Hogan Finance and Mortgage Company, a resident of Pasadena for 17 years. Well known, successful Pasadena merchant.

L. H. TURNER, Director of Hogan Finance and Mortgage Company, a resident of Pasadena for 33 years and for the past twenty-five years has been the head of the firm of Turner & Stevens Co., Past President of the Chamber of Commerce of Pasadena, Past President of the Tournament of Roses Association, and for a number of years a member of the Board of Directors.

SYLVANUS B. MARSTON, Director of Hogan Finance and Mortgage Company, prominent Pasadena Architect, since the year 1907 has been the head of the firm of Marston & Van Pelt, builders of some of the finest buildings and residences in Southern California.

ALFRED G. ALLEN, Director of Hogan Finance and Mortgage Company, Attorney, Director California Mausoleum Co.

R. F. INGOLD, Director Hogan Finance and Mortgage Company, Auditor, Accountant and Income Tax Expert. Since 1917 has been Auditor and Assistant Treasurer of the Los Angeles Investment Company.

F. P. BREWER, Director of Hogan Finance and Mortgage Company, prominent lumberman of the firm of E. P. & W. A. Brewer.

INVESTMENT POSSIBILITIES

Analysis of the affairs of The Hogan Company shows that the average earnings for Hogan Finance & Mortgage Company for the first year should be at least 20% and even greater profit through the employment of additional capital and rapid turnover. As fast as money is paid in to the Company, through sale of stock, the receipt of installment payments or through financing charges collected in advance, it is set to work. Reports of many other companies show earnings of not less than 25 per cent the year on common stock in addition to the fixed return on the preferred shares.

To friends, acquaintances and all the good people of Sierra Madre, we want to extend a cordial invitation to join this group of conservative, successful business men and bankers in this very worthy and profit-earning Pasadena institution and to participate with us in the profits that this company assures you from its inception.

A very comprehensive prospectus giving all details is now ready—mail coupon for more information.

FRANK G. HOGAN, President,
Hogan Finance and Mortgage Company.

FOR FULL INFORMATION OR LITERATURE REGARDING THE COMPANY, CALL OR PHONE MR. GEO. A. OSWALD, REAL ESTATE AND INSURANCE, 6 NORTH BALDWIN AVE., SIERRA MADRE, CALIFORNIA.

Woman's Club Notes

(Mrs. E. H. Carpenter, Press
Chairman)

The first November meeting of the Woman's Club will be held on Wednesday, the 14th. Luncheon at which Mrs. J. Glenwood Jones will be the speaker, is at 12:30. Reservations should be made with Mrs. Dingman, Blue 63.

Mrs. Elmer A. Green, chairman of Literature, has prepared the afternoon's program and since the week of Nov. 11 to Nov. 17 is being observed throughout the country as Children's Book Week, Mrs. Green has brought us as first speaker our librarian, Miss Lulu Moore, whose topic will be "Our Children's Reading." Mrs. Harold Carewe, Mrs. Marie Stanley and Mrs. Green will also appear on the program.

For the next regular dance, the "Pink Ball," on November 30, music will be furnished by the same orchestra that made the Halloween party so successful.

Mrs. Elizabeth McManus of the publicity committee of the Biennial Board spoke at the Press Conference in Los Angeles on Wednesday, stressing the importance of the federation. Mrs. Winter, general federation president, is now in Los Angeles and a limited number of tickets have been reserved for our club for its use at the Trinity auditorium Nov. 14, at which time Mrs. Winter will speak.

The action of the board of the Friday Morning club admitting to its program any woman presenting a membership card in any federated club and the sum of fifty cents is announced just in time to permit attendance at their program of Nov. 16, when Mrs. Winter is the speaker. The programs are Friday morning at 10:30 at the Philharmonic auditorium.

Five hundred wistaria greeting cards, decorated by one of our gifted artists, Mrs. Homer Tuttle, are for sale at fifteen cents each, the revenue to add to the club finances. Art Exhibit.

The exhibit of water colors by Mrs. J. W. Nichols on Wednesday, will include about 20 pictures that have recently been exhibited at Redlands and are soon to be shown at the Fine Arts Gallery at Exposition Park.

Dancing Class

In response to many requests from parents for a dancing class for older children, Mrs. Dingman and Mrs. Butsch are registering for a class in ball-room dancing for Friday evenings from 7 to 8. Miss McCune and her assistants will come if a sufficient number register at once with Mrs. Butsch, Blue 36.

Pepper and Salt.

"A naturally fussy man," says Uncle Eben, "is liable to stan' around braggin' 'bout his 'pep' 'stead of earnin' his salt."—Washington Star.

Help the Fallen.

Let him who neglects to raise the fallen, fear lest, when he falls, no one will stretch out his hand to lift him up.—Saadi.

How to Judge People.

Jud Tunkins says it's more charitable to judge people by the company they keep instead of by the kind of phonograph records they pick out.

Avoid Trouble.

Evening assemblages that do not require people to go to the trouble of harnessing up in their glad rags are always the largest.

Moving and Transfer

Satisfaction guaranteed. Right prices on short or long trips.

110 DISASTERS IN YEAR ENLIST RED CROSS AID

Nearly \$400,000 Spent in United States--Greek Refugee Work Completed.

For its preparedness to render relief through effective and generous aid to the sufferers from disaster the American Red Cross is universally regarded as the one organization from which response to appeal for help is immediate. In the last year, according to the annual report of the Red Cross, its disaster relief operations were carried out in 110 localities in the United States. This work, with activities carried over from the previous year, required the expenditure in the United States of \$397,468.04 by the American Red Cross, its Chapters and Branches. In the emergency following the defeat of the Greek forces in Turkey and the burning of the city of Smyrna, which entailed the relief of nearly 900,000 men, women and children, Red Cross National Headquarters expended \$2,605,696.09. The food distributed in Greece aggregated 25,000 tons; garments, \$89,000; blankets, 48,550; new shoes, 5,000 pairs; medical, hospital and sanitary supplies, 304 tons. In the feeding of the refugees there was listed upwards of 32,000 children under three years of age.

The disasters in the United States during the past year reported 240 persons killed, 991 injured, 12,691 rendered homeless. The total property loss was estimated at \$20,710,000.

Relief of suffering caused by disasters of such magnitude as to overwhelm the resources of the communities in which they occur is fundamental to the charter of the American Red Cross. In addition to making appropriations from its treasury and assigning trained personnel to relief work, the Red Cross in disaster centralizes and makes more effective relief funds and supplies contributed by the country at large.

Since 1881 the Red Cross has administered more than \$20,000,000 for the single purpose of disaster relief. That it may continue to accept the responsibilities which grave emergencies place upon the American Red Cross appeal is made for a nationwide renewal of membership during the annual roll call, which opens on Armistice Day, November 11, and closes on Thanksgiving Day, November 29.

Prearranged Vacation.

Mary--"Is their engagement at an end?" Marie--"No, just during the swimming season."

Fortunate Circumstances Perhaps.

One thing that America and Europe have in common is an ability to see one another's duty.--Duluth Herald.

NOTICE INVITING BIDS

FOR THE CONSTRUCTION OF CONCRETE WALLS AROUND THE TENNIS COURTS, CONCRETE POOL IN THE CITY PARK AND CEMENT CURB AND GUTTER ALONG HERMOSA AVENUE IN THE CITY OF SIERRA MADRE, CALIFORNIA.

Public notice is hereby given that sealed bids will be received by the City Clerk of the City of Sierra Madre, California, until 7:30 p. m., Thursday, November 22nd, 1923, at the City Hall of said City for the following work:

First: for the construction of concrete walls around the tennis court in the City Park.

Second: for the construction of a concrete pool in the City Park.

Third: for the construction of a cement curb and gutter along the westerly line of Hermosa Avenue from Central Avenue to Mariposa Avenue.

Including all labor and material therefor, according to the plans and specifications adopted by the Board of Trustees of said City for said work and on file in the office of the City Clerk of said City, which said plans and specifications are referred to and made a part of this notice.

Said bids must be made on forms which will be furnished by the City Clerk upon application. Separate bids shall be made on the three (3) different classes of said work as above specified.

Each bid must be accompanied by a certified check or cashier's check on some bank in the County of Los Angeles, California, payable to the Board of Trustees of the City of Sierra Madre in a sum equal to (5%) five per cent of the amount of the bid or by a satisfactory bond with two good and sufficient sureties in a sum equal to ten per cent (10%) of the amount of the bid, payable to the City of Sierra Madre as a guarantee that the bidder will enter into a contract if awarded to him in conformity with his bid.

The right is reserved to reject any and all bids.

By order of the Board of Trustees of the City of Sierra Madre, California.

L. DIETZ,
City Clerk of the City of Sierra Madre, California.
Sierra Madre, California,
October 31st, 1923.

Why does a mirror reflect?

Convince yourself

If you will make the effort to keep an accurate account, you will find that ice runs regularly--never allows you to run entirely out--actually costs more than the cost of the ice itself, in foods that would otherwise spoil and waste.

Ice today is not considered an expense any more than it is regarded as merely a hot weather necessity. Used wisely, it is a real economy--an every-day comfort--a vital safeguard to health.

CHILDREN TO HAVE SPECIAL THEATER DAY

The announcement of a Children's
Day at the Raymond Theatre has
brought much joy to many youthful
hearts. Saturday, December 1, has
been set aside for this event. It is
during this week that the Smith-
King Players will present "Mrs.
Wiggs of the Cabbage Patch." Many
added attractions will be on the pro-
gram for the afternoon, including
many of Pasadena's juvenile dancers,
singers and musicians.

After the performance all children
are invited to come on the stage and
have their pictures taken with Miss
Urban and Mr. Ayres. After this
motion pictures will be taken in Li-
brary Park, by Frederick Dunham,
juvenile man with the Smith-King
Players, who is also the local repre-
sentative of the International News.
These motion pictures will be shown
at a local picture theater the follow-
ing week and the picture taken on
the stage will appear in the Star-
News the following Saturday.

Statistics gathered at the Ray-
mond theatre bring out the fact that
20 per cent of the patrons of the
Smith-King Players are from places
outside of Pasadena. Those cities
most liberally represented are Al-
hambra, South Pasadena, Monterey
Park, Glendora, Azusa, Arcadia,
Monrovia, Sierra Madre, San Gabriel,
Glendale, Hollywood and the High-
land Park district of Los Angeles,
as well as Los Angeles proper and
numerous cities at distant points.
About 10 per cent of the season
reservations are held for people from
these cities.

Coming Smith-King Players' plays
include "Clarence," "The Mad Hon-
eymoon," "Mrs. Wiggs of the Cab-
bage Patch," "Seven Keys to Bald-
pate," "Johnny Get Your Gun," and
"Listening In."

The new Robert Morgan organ,
which has been in the course of in-
stallation in the Florence for the
past three weeks, will be heard for
the first time next week. Work is
almost completed on the instrument
and the power may be turned on at
any time. The instrument is about
three times as large as the one now
in use, offering a wider range and
combination to the various instru-
ments incorporated in it.

Coming motion picture productions
will embrace Harold Lloyd in "Why
Worry," "Little Old New York" with
Marion Davies, Charlie Chaplin's "A
Woman of Paris," and Charles Ray
in "The Courtship of Miles Stand-
ish."

HLAWATHA

By the shores of Cuticura,
By the sparkling Pluto Water,
Lived a prophylactic Chiclet—
Dandrine, fair Buick's daughter.
She was loved by Instant Postum;
Son of Sunkist and Victrola;
Heir apparent to the Mazda;
Of the tribe of Coca-Cola.
Through the Tanlac strolled the
lovers—

Through the Shredded Wheat they
wandered—
"Lovely little Wrigley Chiclet,"
Were the Fairy words of Postum.
"No Pyrene can quench the fire
Nor any Aspirin still the headache;
Oh, my Prestolite desire,
Let us marry, little Djer-Kiss."

Damaged Wall Paper.

One woman of artistic training
makes a good living by visiting the
homes of the wealthy and offering to
repair damaged wall paper. Her
method is to place a piece of white
paper over the damaged portion and
then paint in the appropriate design.

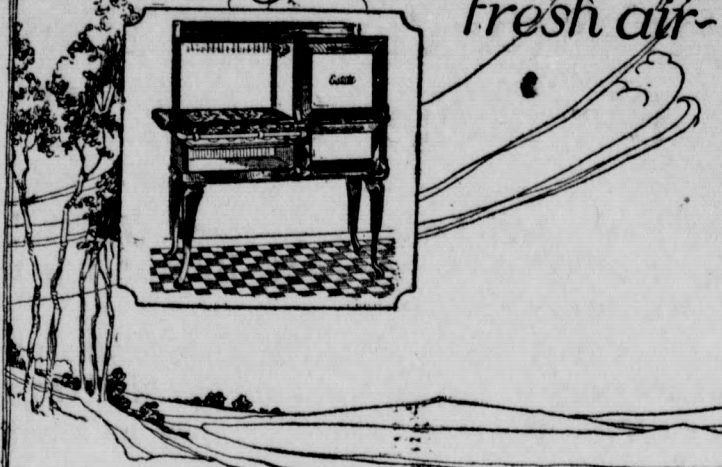

New Way of Making Living.

An original and curious way of mak-
ing a living is that of one woman in
Scotland who is engaged in tearing
and twisting by hand the fringes of
tartan plaids which are worn by cer-
tain English regiments of the British
army.

55TH DIVIDEND PAID EDISON STOCKHOLDERS

The regular quarterly dividend of \$2.00 per share on Edison Common Stock, payable on November 15th to stockholders of record October 20th, was authorized by the directors of the Southern California Edison company at a meeting held October 31st. This is the 55th consecutive dividend on this issue.

This makes a total of \$22,998,487.62 distributed among Edison stockholders to date. Edison common has maintained a leading position in both the local and eastern markets throughout recent fluctuations and its dividend record is noteworthy.

Prospects Are Bright

Commenting on the outlook for the Edison company, General Manager R. H. Ballard said: "At no time in our history has there been such a tremendous demand for light and power service as we are experiencing at the present time. In the past twelve months 46,000 new consumers have been added to our books. At the outset of 1923 our Sales Department was given a quota of 125,000 horsepower in new business to be secured during the year. This entire quota was absorbed by August first and indications now are that over 200,000 horsepower in new business will be brought on to our lines before Christmas.

"Recent rate reductions authorized by the Railroad Commission offer us a splendid opportunity to build up what is technically known as 'off peak load.' This is the fourth consecutive reduction in rates since 1921 and our prices are now lower than in the pre-war period. The new lighting rates will encourage housekeepers in the greater use of labor-saving appliances and we expect to build up a tremendous business along these lines in the coming twelve months. Lower power rates will also be of material assistance in securing agricultural and industrial business.

"Additional revenues without a proportionate additional investment in facilities is an ideal condition for any organization and that is just what we are now facing under new rates which will lead to a wider use of our commodity among existing consumers."

Estimates given on local or out of town express or moving jobs. Long Trips our Specialty. Sierra Madre Feed and Fuel. 2-3-4c

Life Saving Work Of Red Cross Corps Wars on Drownings

The insignia of the American Red Cross Life Saving Corps on the bathing apparel of men, women and youths is seen everywhere at favorite bathing places along the coasts, rivers, lakes and ponds. In its unrelenting campaign to reduce loss of life by drowning the Red Cross is making constant headway. The demands for instruction from organizations in all parts of the country were so numerous the past year that it was necessary to more than double the staff of Red Cross instructors. This work of training for water life-saving showed an enrollment of over 30,000 volunteers enlisted for duty on patrol, for rescue and resuscitation, all competent to instruct others in the standard water-safety methods. The Red Cross by request of the War Department gives water first aid training at the United States Military and Naval academies and in the military training camps for reserve officers and civilians. The four cash prizes awarded by the Red Cross last year for heroic rescues were conferred upon two girls, a boy and a man, indicating that the youths of the country stand well at the top in conserving life along our water courses.

Red Cross Field Of Action Covers All the World

Represented by 93,668 members, the American Red Cross penetrates to nearly every part of the world. The insular and foreign roll call statistics for the past year are a most conclusive manifestation of the Red Cross spirit carried into the most remote lands. In Europe there are 4,038 members; in Turkey, and active in the Constantinople Chapter, 3,545. China has an enrollment of 2,252; Africa, 136; India, 224, and Australia, 29. Even Vladivostok, in frigid Siberia, has a live chapter with 100 members. The Philippine Islands can mobilize 68,747 under the Red Cross banner and Hawaii 7,863. The total funds raised through foreign and insular membership enrollment and sent to national headquarters in Washington amounted to \$60,216.54, while an additional \$33,350 was forwarded for the endowment fund of the American Red Cross. The high seas roll call in 1922 was an inspiring success. The Navy signed on 4,331 for the Red Cross and the merchant ships 4,141. Of the total membership outside the United States \$3,990 are registered with chapters in foreign lands, the insular possessions and dependencies.

"I want to; therefore I can!" is the spirit that spurs the Red Cross worker in well-doing.

Memorials For the Park Are Desired

In harmony with the practice in many city parks of installing various articles of park furniture as gifts or memorials, the Sierra Madre park commissioners have approved the policy for Sierra Madre's new park.

The following letter on the subject has been addressed to the city trustees and is worthy of the consideration of all citizens who would like to do something of real benefit for the city:

The Honorable Board of Trustees, Gentlemen:

At a public luncheon of the Chamber of Commerce your president, Mr. Mitchell advocated the carrying out of a suggestion made to him by a citizen of the community in reference to the possibility of public spirited citizens donating special features to the municipal park for memorial purposes.

The Board of Park Commissioners heartily endorses the idea that our citizens and friends be encouraged to donate memorials to be placed in the park.

The board had already given this subject some thought, and on further consideration wishes to make suggestions in regard to it and wishes to enumerate in a general way the features that would contribute to the beauty and utility and fit in with the general park plan. The modern tendency in park development is for memorials to be limited to features possessing beauty and utility, not only in themselves but also in relation to the park as a whole. The park should be the first consideration and memorials should be placed in it only when they add to the beauty and utility of the park. We believe that this principle of park development should be adhered to at all times so far as it affects the local park.

There are features which we believe would constitute fitting gifts. Most of them will be provided for by the park bond issue, but in some cases they will not be quite so ornamental as either Miss Ward, the designer of the park, or the park commission would like to secure. In any case, a contribution of even the least of the features will cause a saving of park funds which will make it possible to more completely develop the park now than would otherwise be possible.

The features we think would make appropriate gifts are:

The lily pool and pergola which constitute the feature of the vista on the north.

The east front of the community house and approach to the same.

A large band stand for the south vista.

Furnishings for community house.

Drinking fountains.

Ornamental light standards.

Tennis courts.

Roque courts.

Quoit courts.

Lighting system for tennis, roque and quoit courts.

Rare and ornamental trees and shrubbery; or any plantings shown on list to be furnished later.

Planting for areas, such as around pergola and lily pool.

Donations would be marked with the name of the donor on a plate of appropriate size and would serve as a constant reminder of the generosity and civic interest of the giver.

The members of the park commission will be more than pleased to discuss details of this matter with anyone who may be interested.

Yours very truly,

Board of Park Commissioners

C. N. BARKER, Chairman

Ford
THE UNIVERSAL CAR

New Roadster

Business men—with whom the runabout has always been very popular—are well pleased with the changes embodied in this model. Always rugged, the car has been made decidedly trimmer and more comfortable. This result is obtained by raising the radiator and enlarging the cowl, making a decided improvement in looks and providing more leg room. A well designed top and slanting windshield do their share toward adding a finished, clean-cut appearance. Make it a point to see the other new models also on display in our show room.

These cars can be obtained through
the Ford Weekly Purchase Plan.

APPLE RECIPE BOOK FREE

Frank Barbour, local agent for the Union Pacific, has received a limited number of handsome booklets entitled "150 Recipes for Apple Dishes." The books were issued in connection with Apple Week, and will be given without charge upon application to Mr. Barbour.

The Congregational Missionary society will hold a meeting on Friday of next week in the church parlors, beginning at 2:30 p.m.

Hard to Learn.

We may all learn foreign languages, but do we learn to slur the words as those to the manner born do?

Youth's Bloom.

Bloom of youth comes from a perfectly adjusted digestion apparatus. It is the kind that doesn't rub off.

"Me for COMFORT in the morning!"

— Noon, night or morning—there's nothing so gratifying as the warmth from a good oil heater filled with Pearl Oil! Heat by the roomful right where and when it is needed: sick-room or guest-room, living-room, hallway or bath—no fire to lay—coal, wood or ashes to lug—only the touch of a match! And no "oily" smell—Pearl Oil is refined and re-refined—the clear, bright flame consumes it entirely.

When you order, remember "coal oil" and "kerosene" are simply generic terms for kerosene of all kinds—good, bad and indifferent. Make sure you get the highest quality kerosene only, refined by the Standard Oil Company's special process. Ask for Pearl Oil by name.

FAMOUS AERO STUNT COMES TO ARCADIA

The Arcadia Annual Exposition, to be held at the army balloon school Nov. 27 to Dec. 1 inclusive, will afford an opportunity to witness the famous refuelling flight by Capt. L. H. Smith and Lieut. John Paul Richter, intrepid Rockwell Field air men who made a non-stop record on Oct. 25, from British Columbia to Mexico. On that occasion they travelled 1280 miles at a little better than 100 miles per hour. The ship was refuelled at Eugene, Oregon, and at Sacramento, California.

The same fliers and the same planes will participate in the refuelling of a plane in mid-air at the U.S. Army Balloon School Exposition. The public will be given a full opportunity to inspect the apparatus on the ground, after which the fliers will take the air and will refuel while travelling at the rate of 100 miles per hour.

Major Arnold, commanding officer of Rockwell Field, has approved this project and in addition has promised to exhibit a series of motion pictures depicting all of the spectacular world record breaking flights won by army air service fliers within the past few years.

Lieut. C. P. Kane of Ross Field is in charge of arrangements for this demonstration and is making plans to provide adequate means for the witnessing of the epochal spectacle. Other fliers who will participate in aerial stunts during the exposition are Lieut. Hines, Lieut. Seifer, Capt. Irwin and Lieut. McNeil.

Other features to be included in the exposition are: an exhibit of over 2,000 racing Homer pigeons, approximately 1,000 rabbits, high class dog show, horse events, football game, huge Boy Scout demonstration in which 1,000 boys will take part.

She Maketh Her Own Clothes.
She layeth her hands on the spindle and her hands hold the distaff.—Solomon.

NOTICE OF PUBLIC WORK

PUBLIC NOTICE is hereby given that on Thursday, the 11th day of October, 1923, the Board of Trustees of the City of Sierra Madre, California, did, at its meeting on said day, pass a Resolution of Intention No. 164 declaring its intention to order the following street work done, to-wit:

SECTION 1: That the public interest and convenience require and that it is the intention of the Board of Trustees of the City of Sierra Madre, State of California, to close up, vacate and abandon for street purposes all that portion of Laurel Avenue, in said City of Sierra Madre, lying Westerly from the Westerly line of Sunnyside Avenue, in said City, and also to close up, vacate and abandon for street and alley purposes all that certain alley lying and being the first alley Westerly from Sunnyside Avenue running Northerly and Southerly between West Grand View Avenue and West Highland Avenue.

SECTION 2: That the exterior boundaries of the district of lands to be benefited by said work or improvement and to be assessed to pay the damages, cost and expenses thereof are described as follows:

Commencing at the Northeast corner of Lot 7, Block D of the Grand View Tract as per map recorded in Book 29, page 96, Miscellaneous Records of Los Angeles County, California; thence Westerly in a direct line to the Northwest corner of Lot 13, Block D of the said Grand View Tract; thence Northerly in a direct line to the Northeast corner of Lot D of the Replat of Edgemont, as per map recorded in Book 52, Page 30, Miscellaneous Records of Los Angeles County, California; thence Westerly in a direct line to the Southwest corner of Lot D; thence Southerly in a direct line to the Southwest corner of Lot C of said Replat of Edgemont; thence Easterly in a direct line to the Southeast corner of Lot 1, of Block C of said Grand View Tract; thence Northerly in a direct line to the point of beginning.

Reference is hereby made to said Resolution of Intention No. 164 on file in the office of the City Clerk of said City of Sierra Madre for further particulars.

A. M. UDELL,
Street Superintendent of the City of Sierra Madre.
Dated this 18th day of September, 1923.

NOTICE OF FORECLOSURE SALE SHERIFF'S SALE

No. 124350
Order of Sale and Decree of Foreclosure and Sale
Pacific Southwest Trust and Savings Bank, a corporation, formerly Los Angeles Trust and Savings Bank, Plaintiff,
vs.
Eva J. French, a widow; Herbert H. Fluke and Elizabeth P. Fluke, husband and wife; John Doe, Jane Doe, Mary Roe and Richard Roe Company, a corporation, Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the County of Los Angeles, of the State of California, on the 19th day of October, A. D. 1923, in the above entitled action, wherein Pacific Southwest Trust and Savings Bank, a corporation, formerly Los Angeles Trust and Savings Bank, the above named plaintiff, obtained a judgment and decree of foreclosure and sale against Eva J. French, a widow; Herbert H. Fluke and Elizabeth P. Fluke, husband and wife, et al. defendants, on the 10th day of October, A. D. 1923, for the sum of Eight Thousand Seven Hundred Thirty-four and 49/100 (\$8734.49). Also by the same decree judgment was obtained in favor of the Cross Complainant, Eva J. French, for the sum of \$7731.25, Gold Coin of the United States, which said decree was, on the 17th day of October, A. D. 1923, recorded in Judgment Book 552 of said Court, as page 1. I am commanded to sell all that certain lot, piece or parcel of land situate, being and being in the County of Los Angeles, State of California, and bounded and described as follows:

NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Trustees of the City of Sierra Madre, California, invite and will receive at the City Hall, Central avenue, up to 7:30 p. m. of the 22nd day of November, 1923, sealed bids for furnishing labor and material for the erection and completion of a Community House building, in Sierra Madre City Park, according to the plans and specifications prepared by R. M. Finlayson, architect, on file at said City Hall.

Bids will be filed with the City Clerk, and each bid must be accompanied by a certified check for 5 per cent of the amount of bid made payable to the president of the Board of Trustees as a guarantee that the bidder if successful will at once enter into a contract and give bond to secure the performance thereof satisfactory to said Board.

By order of the Board of Trustees of the City of Sierra Madre, made on the 31st day of October, 1923.

L. DIETZ,
City Clerk.

NOTICE OF FORECLOSURE SALE

J. H. Henry, Plaintiff, vs. William Fitzherbert West and Helen S. West, his wife, Defendants.
Sheriff's Sale No. 118947—Order of Sale and Decree of Foreclosure and Sale. Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the County of Los Angeles, of the State of California, on the 25th day of October, A. D. 1923, in the above entitled action, wherein J. H. Henry the above named plaintiff, obtained a judgment and decree of foreclosure and sale against William Fitzherbert West and Helen S. West, his wife, defendants, on the 8th day of October, A. D. 1923, for the sum of Thirty-Nine Thousand Eight Hundred Forty-Four and 59/100 (\$39,844.59) Dollars, Gold Coin of the United States, which said decree was, on the 15th day of October, A. D. 1923, recorded in Judgment Book 546 of said Court, at page 391, I am commanded to sell all that certain lot, piece or parcel of land situated, lying and being in the City of Pasadena, County of Los Angeles, State of California, and bounded and described as follows:

Lot Thirty (30) of Oak Knoll, in the City of Pasadena, County of Los Angeles, State of California, as per map recorded in Book 10, Pages 114, 115a, 118 and 119b of Maps, in the office of the County Recorder of said County; EXCEPT therefrom all water thereon and thereunder, in excess of the amount that may be used upon said premises. Together with the tenements, hereditaments and appurtenances thereto belonging, or in any wise appertaining.

Public Notice is Hereby Given That, on Mon. the 26th day of November, A. D. 1923, at 12 o'clock M. of that day in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment, with interests and costs, etc., to the highest and best bidder, for cash Gold Coin of the United States.

Dated this 1st day of November, 1923.

WM. I. TRAEGER,
Sheriff of Los Angeles County.

By W. T. Osterholt, Deputy Sheriff.
